

À l'école,
on entend parfois...

Rémi est trop petit.

Astrid est trop timide.

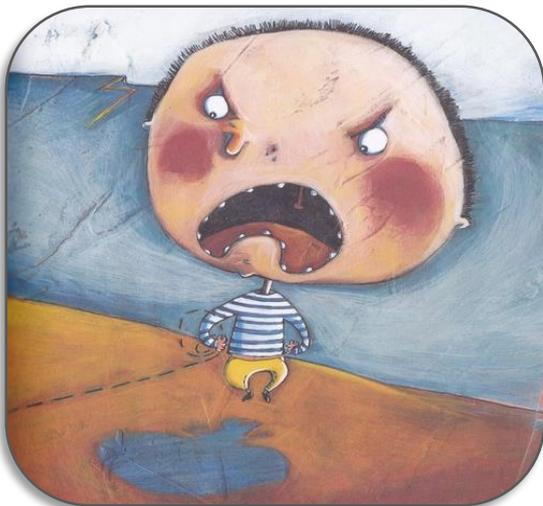

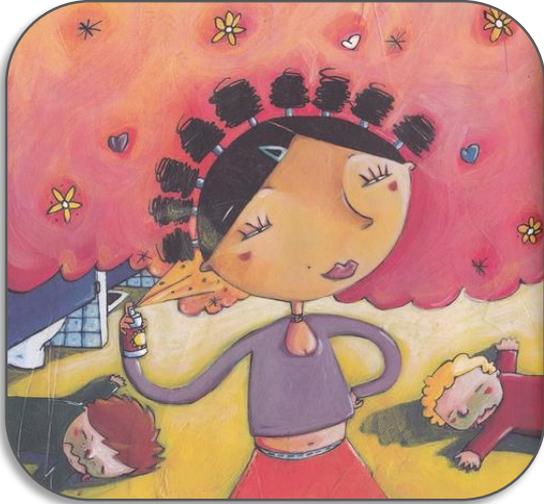

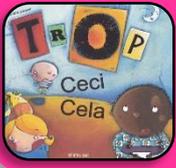

Oscar est trop bavard.

Zoé est trop bébé.

Mathieu est trop nerveux.

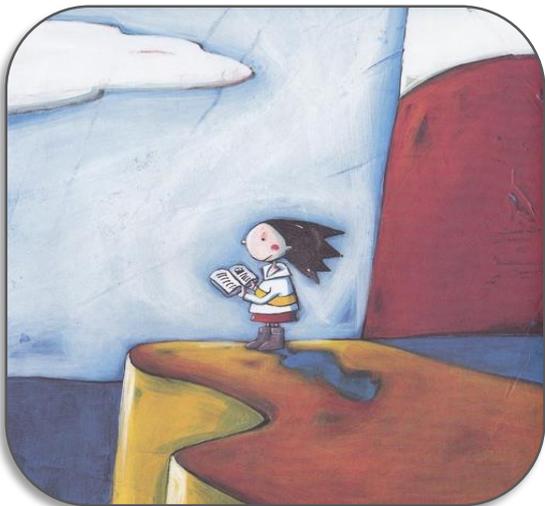

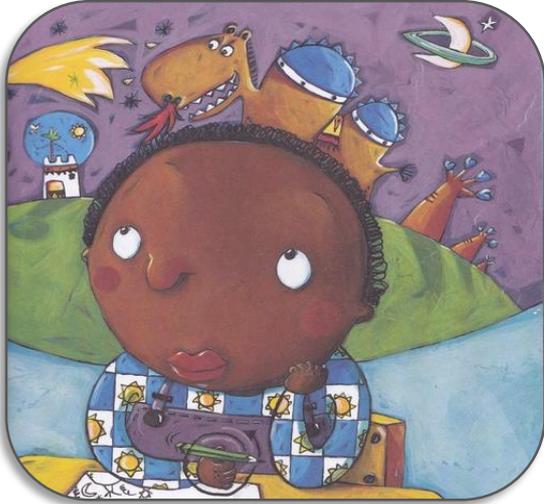

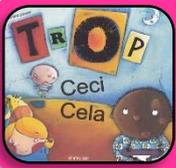

Juliette est trop coquette.

Benoît est trop maladroit.

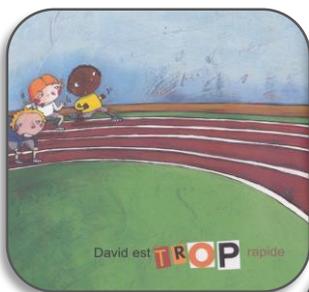

Esther est trop solitaire.

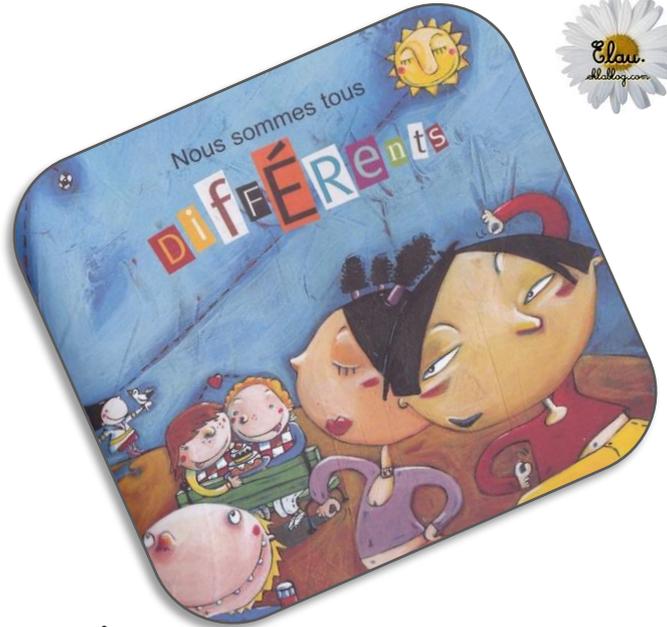

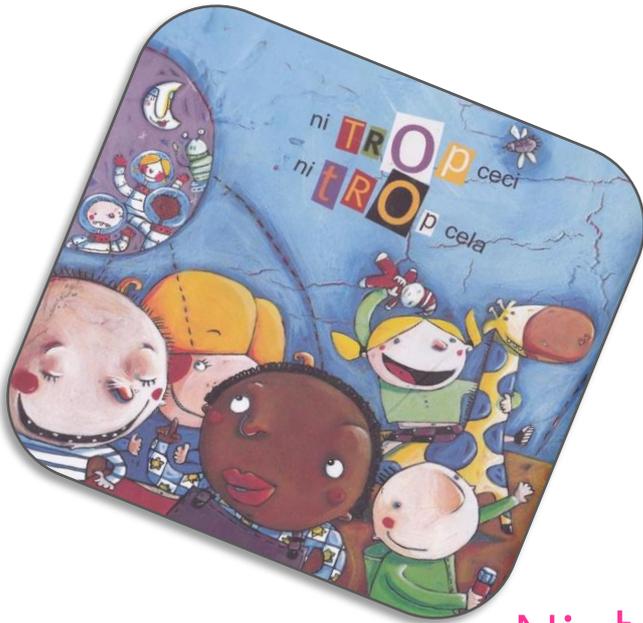

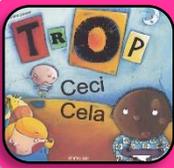

Peter est trop rêveur.

Yolande est trop gourmande.

David est trop rapide.

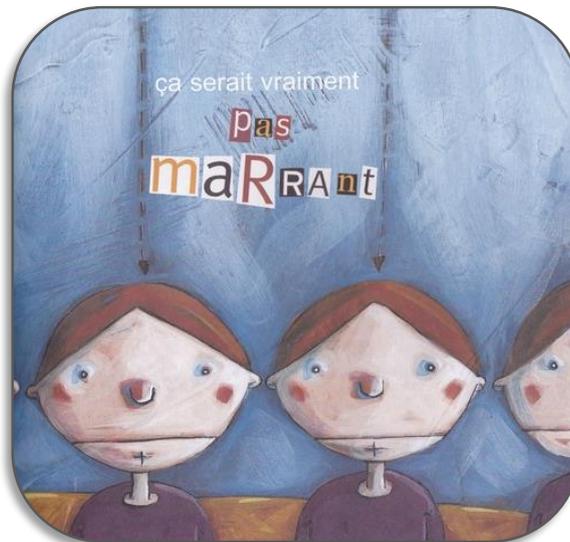

Ni trop ceci,

Ni trop cela,

Nous sommes tous différents.

Et tant mieux sinon...

Ça serait vraiment pas marrant.
